INSTANTOR-PEX®

Five-layer barrier pipe, an innovative new generation of co-extruded pipe.

INSTANTOR-PEX® is available in Irish sizes of 1/2", 3/4" & 1" diameters. Metric sizes are also available in 10, 15, 22 and 28mm. Standard coils sizes of 50 and 100 metres and in straight lengths of 6 metres. Larger coil sizes also available on request.

Instantor-Pex® (Imperial)

CODE	SIZE	PACK QTY	PRICE €
772001	1/2" x 100m Coils	16 coils per box	
772002	3/4" x 50m Coils	16 coils per box	
772004	1" x 10m Coils	23 coils per box	
772005	1/2" x 6m Straight Lengths	10 Lengths per pack	
772006	3/4" x 6m Straight Lengths	10 Lengths per pack	
772007	1" x 6m Straight Lengths	10 Lengths per pack	

INSTANTOR-PEX® is designed for use with existing BS 864 and IS 239 compliant compression fittings and can also be used with other approved proprietary fitting systems.

INSTANTOR-PEX® is manufactured to the same nominal dimensions as Irish & Metric copper tube and Instantor-Push fittings. It can be joined with standard compression fittings in accordance with our jointing guidelines.

Ideal for conventional central heating, underfloor heating, hot and cold running water and all general plumbing applications.

INSTANTOR-PEX®

Instantor-Pex® Insulated Pipe

The insulation surrounding our **INSTANTOR-PEX®** pipe is made of expanded closed-cell polyethylene, which is coated by a special moisture resistant film of white colour that offers UV protection.

By minimising the heat loss, it is appropriate for outdoor use with resistance in solar radiation and resistant to adverse weather conditions.
