INSTANTOR-PEX® is designed for use with existing BS 864 and IS 239 compliant compression fittings and can also be used with other approved proprietary fitting systems.

INSTANTOR-PEX® is manufactured to the same nominal dimensions as Irish & Metric copper tube and Instantor-Push fittings. It can be joined with standard compression fittings in accordance with our jointing guidelines.

Ideal for conventional central heating, underfloor heating, hot and cold running water and all general plumbing applications.

Instantor-Pex® is approved by the Irish Agreement Board, (Bord Agrément na hÉireann)
